NTG Community Benefit Fund

Family Planning Welfare NT wishes to acknowledge and thank the NTG Community Benefit Fund (CBF) grant program.

Recently, we received grant funding to update our phone system and funding to purchase new clinical equipment. The phone system due to its age was becoming problematic and client's messages could not always be heard. Secondly, to assist clients and help stop the long appointment delays in our clinics, we required extra clinical equipment to undertake special procedures.

The help we received from the CBF was valuable in supporting our services.

Family Planning NT would like to thank the NTG for their contribution.

Thank you.
