**NTG Community Benefit Fund**

Family Planning Welfare NT wishes to acknowledge and thank the NTG Community Benefit Fund (CBF) grant program. FPWNT received grant funding to purchase a new clinical bed and minor equipment in January 2023.

Without this funding support we were limited in offering a number of our clinical services especially, specialised contraception choices. The old clinical bed located in our Coconut Grove clinic was over 15 years old, broken and no longer able to be repaired. The new bed arrived early February and installed immediately.

The support from the Community Benefit Fund to assist us in offering reproductive sexual health services is very welcome.

Thank you.
