

COURSE OUTLINE

This 5-day course is nationally accredited by Family Planning Alliance Australia (FPAA) and has standardised assessment.

The course is recognised by the Royal Australian College of General Practitioners (RACGP) & Australian College of Rural & Remote Medicine (ACRRM) for all medical practitioners wanting to increase their knowledge base and clinical skills in SRH. (RACGP 40 points/ ACRRM 30 points)

Part 1 Theory Course Costs

Date: 21st – 25th October 2019

Cost: \$2,000

Registration by: 27th September 2018

(late applications may be considered)

Includes handbooks:

- Reproductive & Sexual Health: An Australian Clinical Practice Handbook 3rd ed (FPNSW)
- Contraception: An Australian Clinical Practice Handbook 4th ed (FPAA)

Part 2 Clinical Training involves minimum of 7 x 3-hour clinics

Cost: \$180 per clinic (including GST)

Extra sessions by negotiation.

Part One: THEORY COURSE

Theory component consists of 5 consecutive days and includes:

- Extensive contraception sessions (ImplanonNXT training - TBC)
- Sexually transmissible infections and blood borne viruses
- Women's Reproductive & Sexual Health (RSH)
- Men's Reproductive & Sexual Health
- Cultural issues related to RSH
- Disability & RSH
- Sexual violence
- Sexual and gender diversity
- Pregnancy options
- Working with young people

ASSESSMENT

The Short Answer and Role Play assessments are held on Friday. This allows completion of all segments of the theoretical course during the workshop.

Part Two: CLINICAL TRAINING

Clinical placement training provides the opportunity for participants to develop and apply their theoretical knowledge, practice skills, gain confidence, develop counselling and communication skills whilst under direct clinical supervision

- Clinical instruction involves 7 - 10 x 3-hour clinics. Should the experienced FPWNT trainer consider that more training is required, further clinics will be negotiated and the cost revised.

TRAINING CRITERIA

- A separate clinical application form must be completed.
- Participants must provide photo identification. They must be qualified medical practitioners registered to practise in Australia, and members of a medical defence organisation. They must have a current NT Working with Children (Ochre) Card.

ASSESSMENT

Assessment of the clinical training is by continuous assessment and completion of a clinical practice portfolio.

CERTIFICATE

The full national *Certificate in Reproductive and Sexual Health* is awarded on completion of both theoretical and clinical aspects of the course.
