FPNT are now offering all clinical services from Monday 11th May. Abortions, contraception, management and treatment of sexually transmitted infections, cervical screening etc are all essential health care. We will continue to provide these services during the continued coronavirus pandemic.

We are operating our clinics in both Coconut Grove and Palmerston. If you need to make an appointment, please call us on 89 480144

Please let us know in advance if you have symptoms such as a fever, cough, sore throat or shortness of breath. We will likely still be able to see you, but we will make some arrangements to keep our staff and other clients safe.
