Pregnancy options

Nurse available to assist you with your pregnancy questions

Phone 8948 0144 and press option 2

To attend the clinics

- You do not need a referral
- Bookings are essential Monday-Friday and clinics are usually booked in advance
- Most appointments are 20 minutes long. We will ask what you are coming in for and longer appointment times will be given if required
- Consultations are private and confidential
- Some contraception and certain medications are available on the premises
- Training of nurses and doctors is one of our major roles. As a client, you may be asked if a trainee can observe your consultation or if you would like a chaperone
- Clinics available at Coconut Grove & Palmerston

Cost of consult

- Consultations are FREE (bulk billed) if you are in the medicare system
- If you are not in the medicare system there will be a charge of \$80-\$200 for your consult, with extra charges for pathology and medication

Donations

We need your funding support to continue to remain open. At your consult our friendly staff may ask if you would like to make a donation to FPWNT.

Donations are tax deductible

Cost of Supplies

Contraception and certain medications are available to buy from the clinics. Costs are kept to a minimum. Some concessions are available for full time students and concession card holders

LGBTQI+ friendly doctors and nurses

- We offer information/advice in a relaxed, non-threatening and non-judgemental manner with focus on giving you the full range of choices available
- Nurses can advise/discuss your pathology results by telephone or appointment
