HOW FAMILY PLANNING SERVICES ARE FUNDED

The Northern Territory Government provide core funding for our services. Extra funds are needed to maintain our high standard of service delivery which we try to do through extra grants, donations and education fees.

Donations are Tax Deductable

SPECIALISING IN
SEXUAL AND
REPRODUCTIVE
HEALTH SERVICES

**FPNT
INFORMATION**

Family Planning has been providing services to the people of the Northern Territory since 1973 Our staff are specifically trained in reproductive and sexual health issues.

WHO CAN USE OUR SERVICES...

Everyone is welcome at Family Planning—*young, old, male or female*. If you do not speak English we can arrange for an interpreter to be present.

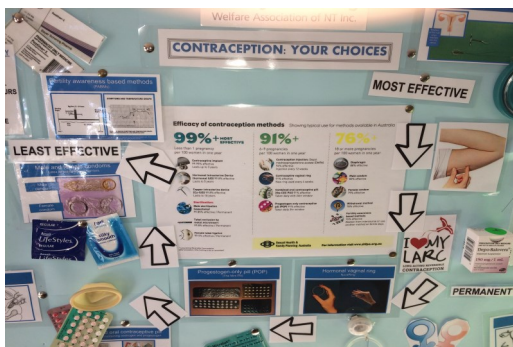

CLINICAL SERVICES

FAMILY PLANNING SERVICES PROVIDE

- Advice and supply of contraceptives
- Insertion and removal of Implanon
- IUD insertion and removal
- Pregnancy testing/referral /counseling
- Medical Termination of Pregnancy
- Cervical Smear tests, breast awareness
- Blood Born Virus's & sexually transmitted infections—testing and treatment
- Management of sub-fertility, menstrual problems, menopause, sexual difficulties

TO ATTEND A CLINIC

- You do not need a referral
- Bookings are essential week days only.
- Open Saturday am—drop in clinic Darwin

- Appointment times are of 20-30 minutes duration. We will ask what you are coming in for and longer appointment times will be given if required.
- Consultations are private and confidential.
- Some contraception and certain medications are available on the premises. ***We cannot dispense prescriptions from other Doctors.***
- Training of Nurses and Doctors is one of our major roles. As a client, you will be asked if a trainee may observe your consultation or if would you like a chaperone.
- Clinics are available in Coconut Grove and Palmerston.

COST OF CONSULT

- Consultations are bulk billed if you are in the Medicare system
- If you are not in the MEDICARE system there will be a charge of \$80—\$150 for your doctors consult and extra charges for pathology.

DONATIONS

- We need your funding support to continue to remain open. At your consult our friendly staff may ask if you would like to make a donation to FPNT.

COST OF SUPPLIES

Contraception and certain medications are available to FPWNT clients. Prices are kept to a minimum. Some concessions are available for full-time Students and Concession Card Holders.

CLIENT INFORMATION AND SUPPORT SERVICE (CISS)

- Nurses offer information/advice in a relaxed, non-threatening and non-judgmental manner and focus on giving you the full range of choices available. By telephone or appointment.
- Nurses can do pregnancy testing and authorize Emergency Contraceptive Pill (also available at chemist).
- Nurses can advise /discuss your pathology results.
- If our Nurse is not available: Phone NT Health Direct 1800 022 222 Or visit www.fpwnt.com.au

NEW:

NURSE now available to assist your pregnancy questions.
