Part 2 Clinical Training in Darwin

involves minimum of 7 x 3-hour clinics
Cost: \$250 per clinic (including GST)
Extra sessions by negotiation.

Clinical placement training provides the opportunity for participants to develop and apply their theoretical knowledge, practice skills, gain confidence, develop counselling and communication skills whilst under direct clinical supervision

- Clinical instruction involves 7 - 10 x 3-hour clinics. Should the experienced FPNT trainer consider that more training is required, further clinics will be negotiated and the cost revised.

TRAINING CRITERIA

- A clinical application form must be completed.
- Participants must provide photo identification. They must be qualified medical practitioners registered to practise in Australia and hold Medical Indemnity insurance.
- They must hold a current NT Working with Children (Ochre) Card.

ASSESSMENT

Assessment of the clinical training is by continuous assessment and completion of a clinical practice portfolio.

CERTIFICATE

The full national *Certificate in Reproductive and Sexual Health* is awarded on completion of both theoretical and clinical aspects of the course. However it is possible to just complete the theoretical aspect of the course.
